

**2024 USMS Colonies Zone & New England LMSC Short Course Meters Championship  
Worcester Polytechnic Institute — December 13-15, 2024**

**SPLIT NOTIFICATION FORM**

**ATTN MEET REFEREE:** I hereby request that the split(s) listed below for the initial distance of my race(s) listed below be recorded as official times pursuant to Articles 103.17 and 103.18 of the [USMS Rule Book](#).

**SWIMMER INSTRUCTIONS:** As stated in the [meet announcement](#), all initial 800-meter splits in the 1500 Free and all relay leadoff splits (first 50 of 200 relay, first 100 of 400 relay, first 200 of 800 relay) will be recorded as automatic official splits — you need not submit a split notification form.

Official split requests for other distances and events must be submitted via this form as follows: For backstroke events, submit the form and notify the meet referee after the heat sheet is posted but before you swim your event. For events other than backstroke, submit the form to the meet admin table before the end of the meet; the meet staff will notify the meet referee of each split request per USMS Rule 103.18.1(B)(1).

Your split time will only be validated if the touchpad properly registers a touch at the initial distance.
